

This Holiday Season why not give the gift of an EVOO experience?

For this holiday gift giving season we are offering gift coupons in three increments - \$50, \$100, or \$150 for you to give friends and family to apply toward the price of an EVOO dinner show or class.

Gift coupons are for sale only until the end of this year, but the recipients have a full year to use them as they do not expire until Dec 31, 2018.

So now is the time to buy! Treat the “chefs” in your lives with a coupon to apply toward our dinner shows, sous chef of the day, artisan bread making, and more. We are taking your calls every day.
