

EVOO CANNON BEACH  
**CULINARY TOURS 2017**

We are just home from our two culinary tours in Italy with our Encore guests. Both tours were full of beautiful sights, from the Amalfi coast to hilltop vistas in Tuscany. Everywhere we enjoyed tasty foods and wines. Once again we visited olive groves and saw olive oil production in Tuscany. We visited two limoncello production facilities in Sorrento, one large, and one family owned. There, as everywhere, we observed the passion of our Italian hosts, which is the most compelling reason for us to continually tour Italy.

Now it's back to business for us as we complete the remaining 2017 schedule of EVOO Experiences. In our absence in October our home team carried on with great success. Since our phone line is now available *every day*, both Susan and Melissa have reported

the need for more shows and classes during December. In addition they received many requests for Gift Certificates for holiday giving.

**You** may give the gift of an EVOO

**EXPERIENCE** this holiday season. These gift coupons are offered a short time and come in three increments - \$50.00, \$100.00, or \$150.00, each to apply toward a dinner show or class.

Gift coupons are for sale only until 12-31-17, but the recipients have a full year to use them as they do not expire until Dec 31, 2018.

So now is the time to buy!  
 We are taking your calls every day.

So we have increased our offerings in December. And right now we are offering gift coupons to buy and give the gift of EVOO to your family and friends. See insert, left.

Of course we happily give up one week each December for a very good cause. And great news! It is with pleasure that we announce a sold out event

for this year's Coastal Harvest of Giving, the premier fund raising event to raise funds for the Clatsop Community Action food bank facility and its fight against hunger. This fine dining event is held at the Surfsand Resort in Cannon Beach and is planned and executed in collaboration by the culinary teams at the WAYFARER and EVOO. In addition, many food and wine vendors that we use all year contribute foods & wines for the event, greatly reducing costs so most of the party ticket price goes to fight hunger. *Happy Thanksgiving. All! Your personal chefs, Bob & Lenore*
