

Dear EVOO Friends:

“They say” the early bird gets the worm! Whoever said that must have known how quickly the 22 seats around our stove fill up! Happily, many of our guest do know. Let's see if we can entice you to book early. Please keep reading.

We are touring in TRI CITIES!

The Lodge at Columbia Point

Moon River Farm stand

Topping our list of news is the domestic TOUR we are taking with our guests to Red Mountain AVA in Washington. Yes, 72-hours to [SWIRL, SNIFF, AND SIP](#).

New this year in March, we introduced [SMALL PLATES, BIG WINES](#), a wine and food experience with emphasis on wine! Chef Bob is all about food with wine as he thinks of wine as a food first not a beverage! So, focusing first on the wine is upside down for him. Our plates are carefully selected to demonstrate how wine can enhance the food and the food the wine. The portions are smaller yet equally memorable – Join us Fri Mar 30 or 31, 2018; 6 pm-9 pm for this new experience.

[APRIL DINNER SHOW's](#) menu is celebrating SPRING! Lamb is on the menu along with asparagus and strawberries.

And speaking of Spring it is time sign up for your CSA, or “community supported agriculture,” where you support a local farm and you get rewarded by boxes of fresh produce, hours old, brought to you weekly. Once again EVOO is the drop off place for [MOON RIVER FARM](#) our local CSA customers. The season runs 22 weeks from May to October. Half shares are available this year! Sign up – click through to their website.

How about an APRIL LUNCH out in Cannon Beach? It's a great way to celebrate Administrative Professionals Day with your support person(s). Treat them and join them on Wednesday, [APRIL 25, 2018, the official day!](#)

MOTHER'S DAY is May 13, 2018 this year! Our menu is posted and is inspired by Chef Bob's and Lenore's moms.

Another first for us! We have scheduled our first POP UP RESTAURANT. It's NED LUDD on June 26, 2018, 6-9 pm at EVOO. Read all about it and call us to book it!

American as "apple pie."

PIES on Fourth of July! Pizza pies and apple pies, that is!

By now we are pretty sure the tradition of JULY 4 in Cannon Beach is already on your radar. But for more incentive we remind you of our tradition of inviting guests to watch the parade on our deck and nearby, so that they also can enjoy **PIE**. Yes, it started with **Apple Pie on the fourth of July**, and now with our WFO we add **PIZZA PIE**, Napoli style. Plenty of action that day! Drop-in unless you want to reserve a seat on our deck in which case best to call ahead.

As always, we remain yours truly,
local-sustainable-fresh-&-seasonal,
and your personal chefs,
