

8TH ANNUAL PLEIN AIR & MORE ARTS FESTIVAL JUNE 24 - 26

It's not a surprise that Cannon Beach's spectacular natural beauty has beckoned artists from around the world to capture it "en plein air" or "in the open air." To celebrate this challenging artistic style, the Cannon Beach Gallery Group is presenting their 8th Annual Plein Air & More Arts Festival. Scheduled for June 24-26, the event will feature more than 30 artists represented by the local art galleries.

Many will be painting. But, as you wander through town and along the beach you'll also find sculptors working in stone, or creating the clay forms that will eventually be cast in bronze, jewelers, ceramic artists, basket weavers and metal workers. The weekend will also include music by the Boca Marimba Band, gallery receptions, children's activities and a spectacular raku firing on the beach.

And while you are here, book a dinner show at EVOO!
